WHY Hego CARPET TILE?

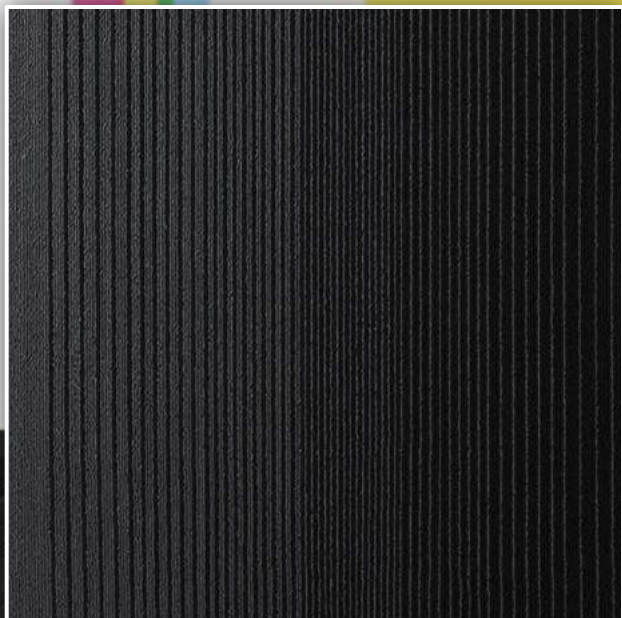

Today's modern office environments with open office systems are designed for flexibility to accommodate frequent layout changes. A modular floor can be quickly adapted to new requirements thereby reducing the cost of reorganisation.

Advantages with Hego's Carpet Tiles

- Colour co-ordinated for maximum design flexibility
- Increased speed of installation
- Installation wastage is reduced
- Damaged or soiled tiles can be replaced
- Wear rotation to extend flooring lifespan
- Renovation with minimal disruption
- Compatibility with access systems
- Static control flooring for areas with sensitive electronic equipment
- High quality manufacturing processes
- Carpet tiles for both public and commercial environments
- High Quality backing tiles for the home & commercial usage.

With all this flexibility, we're sure that whatever the specification, whatever the budget, you'll find exactly what you need in our carpet tile portfolio.

It's about the things you can't see a HEGO floor is always beautiful and stylish to look at. A floor that's comfortable to live, work and play on. But looks aren't everything; often, it's the things you can't see that really matter. The way we make our floors is a big part of how we ensure sustainable performance i.e. floors which start performing from the moment they're fitted.

WE WELCOME YOU ABOARD IN
THIS WONDERFUL JOURNEY !!
